## FAST24

**\$865.00**

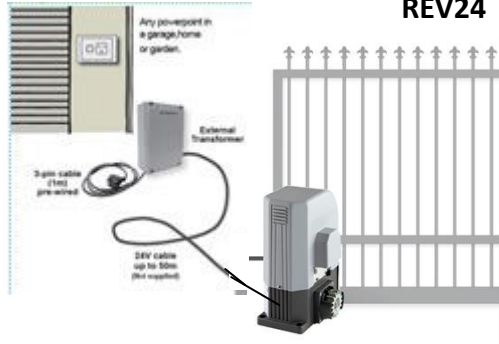

The FAST24 motors are capable of opening gates up to 10m wide and weighing up to 500KG at an operating speed of 16 m/min.

This kit includes:

- 1 24V Motor (FAST24)
- 2 x 2 Button remotes
- 4 x 4 fix Rack (1m)
- 1 x Small Base 65mm high
- 1 x Controller and Receiver

External Transformer Kit for **FAST24 \$1089.00**  
**LOLUX24 \$1179.00**  
**REV24 \$1429.00**

The external transformer has a 3-pin plug pre-wired to plug straight into a power point inside or near the house. This lets you run 24V garden cable (up to 50m, not supplied) to the control box at the gate.

**Includes the motor kits as listed on the left and right.**

- Makes all the install electrical work 24V
- Removes the need for 230V power point at the gate
- Suits all 24V automation
